

SUOMI-HUBI

Learn Finnish quickly and flexibly with online lessons!

Do your employees need to enhance their language skills? Do you want to learn Finnish alongside your work?

At Arffman's Suomi-Hubi, Finnish language learning is available every weekday for multiple skill levels, from beginner to advanced.

WHY CHOOSE SUOMI-HUBI?

- Lessons are conducted via video link with professional teachers.
- You can participate from anywhere—whether you're at work, home, or anywhere else using your mobile phone.
- The groups are small, allowing for lots of conversation practice.
- The content covers language needs for work, daily life, and social events.
- Daily attendance is optional—join when you can.
- Progress at your own pace—repeat lessons or change levels flexibly as your skills improve.

WHAT DO YOU GET?

- 1–2 interactive lessons in a small group every weekday.
- Access to teacher support, notes, and lesson recordings.
