

# JOB SEARCHING SERVICE, PIRKANMAA

## Individual coaching service, duration 3 + 2 months

### SERVICE PROGRESS

Step 1. The jobseeker service starts with an initial survey and a face-to-face meeting with your coach. Together with the coach, you prepare a job search implementation plan and set goals that suit you. You will have access to our extensive online materials. Duration maximum 1 month.

Step 2. Once the job search goals have been set, we will move on to the job search. Together with your coach, you identify hidden jobs and contact potential employers. The goal of this step is to get you employed! Duration maximum 2 months.

Step 3. The last step of the service is implemented after possible employment. You will also receive the support of your coach at the workplace: we support staying at work, orientation and the development of work community skills in the early stages of the employment relationship. Duration maximum 2 months.

### COACHING MAY INCLUDE

- Updating resumes and job applications
- Planning the service path and setting job search goals
- Identifying competence and marketing to employers
- Developing your own skills
- Job search: identifying and contacting potential employers
- Preparing a job search implementation plan
- Language training for immigrants
- Coach support in the workplace

The service is implemented as face-to-face coaching in the Pirkanmaa region and is intended for clients of the of the Local Government Pilots on Employment (Työllisyyden kuntakokeilut). To join the service, contact your OMA coach.
