

From Coaching to Employment

Individual support for job search and fast employment in the Mikkeli region

Do you want to speed up your path to employment and make sure all your opportunities are recognized and within reach? The From Coaching to Employment service helps you take the next step toward finding the right job.

- ▶ Find the right job opportunities – we help you identify your strengths and apply for suitable positions with the support of a coach and recruitment expert.
- ▶ Clarify your job search – you'll receive practical guidance and tools to make your job search focused and effective.

The goal is to make your job search structured and result-oriented, so you can return to working life as soon as possible.

DURATION AND IMPLEMENTATION

The service begins with an initial assessment to understand your situation and create a tailored coaching plan. Meetings are mainly held remotely, and if needed, we can lend you IT equipment for the duration of the service.

The coaching lasts up to 6 months, and the content is adapted to your individual needs with the goal of fast employment. The service is available in Finnish, Swedish, and English. We also use simple Finnish when needed to ensure clear communication.
